

# Free License

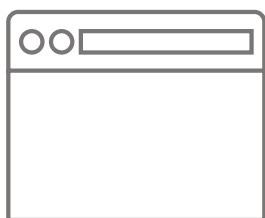

The icons are free for personal use and also free for commercial use, but we require linking to our web site. We distribute them under the license called [Creative Commons Attribution-NoDerivs 3.0 Unported](#). Alternatively, you could [buy a license](#) that doesn't require any linking.

## Why to Link?

A true story: one girl didn't set a link and had no decent date for two years, and another guy set a link and got a top ranking in Google!

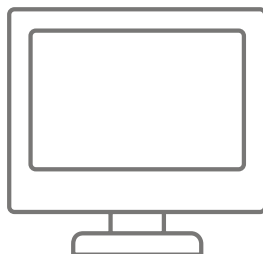

## Where to Put the Link?

98% of cases are covered by the infographics below.  
When in doubt, ~~wear pink~~ check [difficult cases](#) or [email us](#).

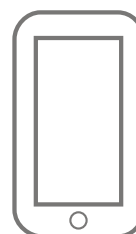

### Websites

On all pages where the icons are used. If the icons are used on each page, you could put in the footer.

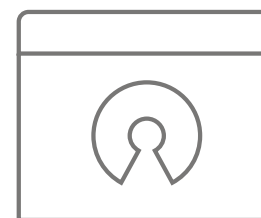

### Desktop Apps

Mac OS and Windows applications should have the link in About dialog.

### Mobile Apps

In the About dialog and on App Store or Google Play page.

### Open Source

Established projects should get the icons for free; [email us](#).
